

South African Bureau Of Standards

Annexure No: SABS 2

To Certificate Of Approval No: 1372

Authorised Alternative No: 2

Legal Metrology Department

In accordance with the provisions of section 18(2)(b) of the Trade Metrology Act (Act 77 of 1973), the Director of Trade Metrology after consultation with the Metrology Advisory Committee, hereby certifies that the pattern of the modified instrument(s) described hereunder, which conform to all documents deposited with the South African Bureau of Standards for approval purposes, meets the requirements of the Trade Metrology Act and may be used for prescribed purposes after due consideration of any limitations or conditions imposed by the pattern description.

“Elster Kent Model CWD” end-of-line electronic, pre-payment water meter measuring system incorporating the “Kent Model 114 KSM” 15 mm water meter (approved under SA 842), pulse generator and Model CWD version 5 electronics. The system is a Class B with a q_p of 1,5 m³/h and is approved for outdoor use.

NOTE: This certificate relates to the suitability of the equipment for use for prescribed purposes only in respect of its metrological characteristics. It does not constitute or imply any guarantee as to the safety of the equipment in use for trade or otherwise
