Compliance Test Specifications Entities: D-ST5531-4; E-ST531-5-0;
F-ST531-6-1-07
TESTING REF: TBPWC200-0417

DISCLAIMER

This certificate certifies that the certified product has been tested for the compliance with the version of the Standard Transfer Specification (STS) current as at the date (as detailed above) of testing and that the certified product has been found to be STS compliant to the extent tested, as required by the STS Association. The certificate does not certify or imply that every actual or potential feature of the certified product is STS compliant. In this regard, the STS Association does not and will not indemnify any person against claims of any nature that may arise out of the testing, certification, use, sale or distribution of the certified product and the STS Association is hereby indemnified against all liability from any claim by any party arising from any defect or other characteristic of the certified product. The certificate shall be valid for all certified products manufactured while the certificate holder is a member in good standing of the STS Association.
